Your time efficient transport solution

DB Cargo Eurasia

Full Time Schedule Train

Especially when it comes to high value cargo, the balance between costs and lead time can be a crucial factor. We at DB Cargo Transasia offer you a high speed transport solution between Europe and China, delivering your cargo in less than 12 days*. Running the route between Xi'an and Duisburg, via the traditional border Altynkol/ Dostyk and Brest/ Malaszewicze, our Full Time Schedule Trains tackle 9,908 km fully loaded in 10 - 12 days.
